## **(Patient Privacy Rights Poster)**

**HIPPA has issued a new/revised Notice of Privacy for Patients.**

**A copy is available for you at our Front Desk. Thank you.**

### **We protect your medical and medication information.**

We only share details when required by law or with your written permission.

### **Who we can talk to**

Only the people you list in writing. This includes spouses and family members.

### **After procedures**

Drivers receive safety instructions only. Medical findings require your permission.

### **Medications**

We coordinate with pharmacies for safety, but we cannot discuss prescriptions with others without authorization.

### **Legal requests**

Records are released only with proper legal paperwork (authorization, subpoena, or court order).

### **Your rights**

- Get copies of your records anytime
- Keep visits private from insurance if self-pay
- Choose how we contact you
- Change who we can talk to at any time
